PROFESSIONAL SUMMARY

My three years of experience as a Tutor and Academic Assistant have enabled me to work effectively with people from diverse backgrounds and adapt to different situations. This experience, combined with my academic knowledge, has equipped me with strong communication, collaboration, and problem-solving skills. I have experience assisting not only students but also customers, ensuring that their needs are understood and addressed professionally. I am a fast learner who values integrity, professionalism, and teamwork, and I am confident that I can contribute positively to achieving the goals and success of the company.

WORK EXPERIENCE

Academic Assistant (Tutor) | iYunivesithi Walter Sisulu | Potsdam, East London *Current – 31 Oct 2026*

I serve as a Software Development project assistant

- My role is to assist final-year students with Software Development projects from ideation until the final submission of the completed project.
- I provide support on project requirements, database design, development, and documentation.
- I support students in problem-solving, debugging, reducing difficulties, and meeting project requirements.
- Through this role, I have developed strong mentoring, communication, teamwork skills, and patience.

Academic Assistant (Tutor) | iYunivesithi Walter Sisulu | Potsdam, East London *Mar 2024 – Oct 2025*

I served as a Java Programming tutor

- I assisted students with Java programming concepts, assignments, practical exercises, and exam preparations.
- I provided academic support and guidance to improve student understanding and performance.
- I communicated complex technical concepts clearly to students from diverse backgrounds.
- I worked collaboratively with lecturers and fellow tutors to support student success.

Customer Assistant and Stock Packer | By Way Wholesale | Alice, Eastern Cape *Dec 2024 – Feb 2025*

- Assisted customers with product enquiries and purchases.
- Packed and organized stock to maintain a neat and well-presented store environment.
- Worked effectively in a fast-paced retail environment during peak trading hours.
- Contributed to positive customer experiences through friendly and professional service.

LEADERSHIP

Class Representative

This year (2026), I serve as a liaison between students and lecturers, ensuring effective communication and timely resolution of academic concerns.

Invigilator (Volunteer)

I usually volunteer to assist with invigilation during class activities, tests, and informal assessments. I ensure adherence to assessment procedures and maintain academic integrity.

Project Leader

I always lead Software Development projects and ensure fair participation and contribution towards the completion of the project.
